**Subject:** David M. Sheridan Judicial Candidacy

Dear Chairman McDonald and Chairman Lawlor, I write to support the candidacy of David M. Sheridan who has been nominated to be a Superior Court Judge. I practiced law with David for years at Levy & Droney in Farmington and know the quality of the man and of his work. We tried cases together so I was privy to his talents close-up. I was always proud to call him my partner...the more satisfied to call him my friend. In my position as Corporation Counsel for the City of Hartford, I have called on David to assist my office in an important ethics case. His written opinion in that matter continues to be the source-book for the issues raised in ethics matters here. I served three years on the Judicial Selection Commission and would like to think that experience enables me to better evaluate lawyers who seek the mantle of Superior Court Judge. In my opinion David Sheridan has the demeanor, the presence, the dedication and the fortitude to serve the State and its citizenry extremely well as a sitting, hard-working judge. I wholeheartedly endorse his nomination and commend him to you.
